3.

1. **Please be considerate of your neighbours.**

Noise levels, behaviour and respect for privacy are essential for a pleasant stay. Let's create a calm and friendly atmosphere together. The use of loudspeakers or other sound systems is not allowed.

2. **Respect everyone's night rest.**

Quiet hours apply between 10:00 pm and 6:00 am, so all guests can enjoy a good night's sleep.

3. **Leave all facilities clean and tidy after use.**

Please leave shared facilities exactly as you would like to find them yourself.

4. **Use the outdoor shower after swimming.**

This helps keep the indoor shower facilities clean and dry and ensures there is enough hot water for all guests.

5. **Do not make a campfire without permission.**

For safety reasons, campfires are only allowed with prior approval. Safety always comes before cosiness.

6. **Use water and energy wisely.**

Please be mindful of your consumption. Do not wash dishes under a running tap and do not use hot water to warm up after swimming in cold water. Other guests will be grateful.

7. **Keep pets under control at all times.**

Make sure your pets do not cause any disturbance to others. Keep them on a leash where required and away from other animals.

8. **Treat all animals with respect.**

Do not feed horses or goats. Chickens and pigs may only be fed food that is approved for them. Treat animals the way you like to be treated so no chasing, teasing or frightening of animals.

9. **Please register visitors at the reception.**

Inform us if you receive visitors, so we can maintain an overview and ensure safety. Visitors park their vehicles at the parking area near the campsite entrance.

13.

10. **Supervise children and take responsibility.**

Children are welcome to play, but parents or guardians are there to supervise them and ensure they do not disturb other guests.

15.

11. **Report damage or problems immediately.**

If something is damaged or not working properly, please let us know right away. This helps us resolve issues quickly and fairly.
